Why choose Artlette?

Effective curriculum

- Balance between techniques and creativity
- Quality materials and conducive learning space
- Not an "one size fits all" curriculum as we nurture students to have a strong foundation, embrace their individuality and realise their full artistic potential

Small class size

- 1 teacher to ~5 students
- Personalised attention and teachings to students interests and strengths

Classes for all ages

We emphasise on bonding with loved ones! Weekly classes and workshops are available for both adults and children.

The Artlette app

For your convenience, you may view announcements, schedule unlimited number of make up classes, access to student progress reports and make payment of fees via our app.

Artlette team

Our team consists of full time experienced teachers graduated from art Institutions dedicated to art teaching. All our teachers are qualified to teach children and adults.

Why choose Artlette?

Extensive workshops

- Curated over 15 fine art and trendy workshops available for booking throughout the year!
- Provides team building and event workshops outside studio bringing art to your convenience
- Students enjoy special rates for holiday workshops

Yearly students' showcase

- Physical / online showcase to recognise students' achievements
- Enhance art portfolio

CSR effort

- Implement eco-friendly practices in studios
- Exhibition and workshops for Charity
- Raise awareness for social & environmental issues
- Community art projects

Fees & trial class

- To ensure transparency, our program fee is from \$180-\$220+ per month with no deposit required
- You may book a trial class to experience our actual class before joining the weekly classes!
